The Rehearsals are Over

Season 2019 kicks off in anger this weekend after the Friars have completed a solid pre-season with the senior men's team successfully defending the Strike-Wilkinson Cup against Aquinas. The home season starts with a different kind of triple header at Friar Park, while the senior men's teams head into the bohemian lands of the inner north where we are reacquainted with long-time rivals Brunswick (formerly NOBSP). The triple header kicks off with girls who will unveil the 2018 flag before taking on the MCC Women's footballers. The flag will be raised at about 9:10am, an early start but a great opportunity to celebrate a great achievement.

The middle game will be the first game for our Under 23s. The Under 23s is newly formed competition for the VAFA to provide opportunities for players to progress after the Under 19s and be able to stay together as a group and continue to play with their mates. Eight clubs will play in the competition to be held over 18 rounds. Our initial opponent will be Old Brighton, other clubs in the competition are Fitzroy, Old Xaverians, Old Scotch, St Bernards, Old Camberwell and St Kevins. At 2:00 the Under 19 open their season against fellow finalists from 2018 South Melbourne Districts. If you can't make it to Brunswick get down to Friar Park.

Round 1 - April 6

Let the lights shine

The upgrade is nearly complete! Monday night saw the finishing touches from Peter Harrison and Conor Eames to get the lights up and on the bottom oval and ready for training this week. A couple of minor adjustments to absolutely complete the job, but a mighty effort from everyone who have given their time and resources to the project.

Communications Update

Don't forget to watch all our social media platforms and our website through season for the latest Friar information. We have also added a club email address from which this communication is being sent. If any club member or supporter has questions or issues they would like to raise, an email to footy@whitefriarsfc.com.au will ensure the committee and administration are aware.

To follow the scores on matchday go to www.vafa.com.au or google "Vafa Live Scores".

Hope to see you all at a match soon, a big crowd for the opening game luncheon would set the Friars up for the season,

Go Friars,

Cheers, Sal
